

QUASONIX, INC.
GENERAL TERMS AND CONDITIONS OF SALE OF GOODS

A. The term "Seller" means Quasonix, Inc., and/or its present and future subsidiaries. The term "Buyer" means the third party placing the purchase order.

B. No contractual relationship between Seller and Buyer will arise until such time as Buyer has placed an order that has been accepted by Seller.

C. Stenographic and clerical errors are subject to correction.

D. Subject to the provisions hereof, all quotes submitted by Seller are firm for 30 days from the date of the quotation unless indicated differently on the face of the quotation or withdrawn earlier by written notice. Alterations or changes of quotations after 30 days may be made at the discretion of Seller without notice.

E. Orders are subject to all of Seller's Standard Terms and Conditions (the "Terms and Conditions") printed below.

1. **SCOPE.** The Terms and Conditions of sale contained herein, and as amended by Seller from time to time, apply to Seller's quotations and purchase orders placed by Buyer on Seller. These Terms and Conditions may in some instances conflict with some of the terms and conditions on Buyer's form of purchase order or otherwise specified by the Buyer or these Terms and Conditions may cover matters not addressed in Buyer's documentation. Therefore, acceptance of the Buyer's order is made only on the express understanding and condition that insofar as these Terms and Conditions conflict with any terms and conditions of the Buyer's order or cover matters not addressed in Buyer's documentation, these Terms and Conditions govern, irrespective of whether the Buyer accepts these conditions by a written acknowledgment, by implication, or by acceptance and payment for goods ordered. Seller's failure to object to provisions contained in any communication from Buyer will not be deemed a waiver of the provisions of this acceptance. An authorized officer of Seller must specifically agree to any changes from the Terms and Conditions of sale contained herein in writing before becoming binding on the Seller. All orders or contracts must be approved and accepted by the Seller at its principal office at 6025 Schumacher Park Drive, West Chester, Ohio 45069. From time to time, Seller may accept certain of Buyer's terms and conditions of sale by signing Buyer's proposed sale agreement. If such acceptance is preceded or accompanied by Seller's interpretation of Buyer's terms and conditions, such interpretation shall control the construction or interpretation of the meaning of Buyer's terms and conditions.

2. **PRICES.** Irrespective of any prices quoted by Seller or listed on Buyer's order, an order is accepted only at the prices shown on Seller's acknowledgment.

Prices listed on Seller's acknowledgment are firm and not subject to audit or price redetermination or renegotiation, except that at Seller's sole discretion any and all prices are subject to adjustment either directly or by the addition of a precious metals surcharge in order to cover the cost of precious metals utilized by Seller in supplying goods.

Seller may, from time to time and in its sole discretion, offer certain goods at a discounted rate, based upon the quantity of goods ordered by Buyer. If Buyer fails to take delivery hereunder of the quantity of goods upon which a quantity discount price, if any, is based, Buyer will be back-billed an amount based upon the quantity actually delivered hereunder and upon the quantity pricing schedule in effect at the time the order was placed. Such charges shall be in addition to any cancellation charges.

All price quotations, whether standard pricing, quantity discount pricing, or otherwise, apply only if the entire quantity ordered hereunder is shipped no more than 12 months from the date Seller received Buyer's order, unless a longer delivery schedule is agreed to in writing by Seller. Otherwise, Seller's standard prices in effect on the date of receipt by Buyer of the quantity actually shipped apply, and Buyer shall pay the difference in price, if any.

3. TERMS AND METHOD OF PAYMENT. Unless expressly specified otherwise on the Seller's sales confirmation, where Seller has extended credit to Buyer, terms of payment shall be net 30 days from the date of Seller's invoice. All payments shall be in U.S. Dollars unless otherwise agreed in writing. Buyer will be charged 0.05% per day (but not more than is permitted under applicable law) on overdue accounts. If Buyer fails to make payment for goods delivered as herein provided, or if, in Seller's opinion, a change in Buyer's financial condition or other circumstances has created reasonable concerns as to Buyer's credit worthiness, Seller may at any time limit or cancel the credit of Buyer as to time and amount and may demand payment in full before delivery of any part of the goods. On any order on which Seller does not extend credit, shipment or delivery shall be made at Seller's election. Payment must be made for the goods without regard to whether Buyer has made or will make any inspection of the goods.

4. LEAD TIMES. Buyer acknowledges that the lead times for Seller's production and delivery of any goods shall be specified in any order acknowledgement submitted by Seller to Buyer. Buyer further acknowledges that such lead times are for estimation purposes only, and Seller shall bear no liability for any loss resulting to Buyer due to Seller's failure to meet such lead times.

5. INSPECTION. Buyer shall, within 30 days of receipt of goods, notify Seller of all discoverable defects, including quantity shortages, incorrect product, and visible defects. No return of goods will be accepted by Seller without a Return Material Authorization (RMA) Number and returned goods must be in original manufacturer's shipping cartons complete with all packing materials. In the event that Buyer does not either complete final inspection and accept the goods or present a rejection notice to Seller in writing within 30 days of delivery, the goods shall be conclusively deemed accepted. At that time, Buyer's only recourse or remedy for non-conforming or defective goods shall be in accordance with Seller's warranty in Section 6 hereof. Buyer's inspection and/or acceptance tests shall be at Buyer's sole expense and shall not exceed procedures customary in the industry for the goods furnished.

6. SELLER WARRANTY. All goods sold are subject to Seller's stated Limited Warranty Statement, a copy of which is available at www.quasonix.com (the "Warranty").

EXCEPT FOR THE WARRANTY SET FORTH HEREIN, SELLER MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE GOODS, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE.

THE FOREGOING STATES THE ENTIRE WARRANTY LIABILITY OF SELLER.

7. BUYER WARRANTY. By accepting the goods, Buyer warrants that it is solvent as of the date of shipment. With respect to goods delivered hereunder, Buyer agrees to accept responsibility for (i) their selection to achieve Buyer's intended results, (ii) their use, (iii) the results obtained therefrom, and (iv) the selection of, use of and results obtained from any equipment, programs or services not provided by Seller and used in connection with goods delivered hereunder. Buyer acknowledges and agrees that Seller's warranty is limited to that set forth in Section 6 and that Buyer is solely responsible for any warranty made by Buyer when reselling or otherwise transferring the goods to any third party.

8. INFRINGEMENT. With respect to goods manufactured solely to Seller's designs and specifications, Seller shall defend any suit or proceeding brought against Buyer insofar as such suit or proceeding is based on a claim that any such goods furnished hereunder infringe any patent(s), copyright(s) or trademark(s), or for misappropriation or use of any trade secret(s), or for unfair competition, if Seller is notified promptly in writing of such suit or proceeding and is given full and complete authority, information and assistance by Buyer for such defense. Seller shall pay all damages and costs finally awarded against Buyer in any such suit or proceeding, but Seller shall not be responsible for any compromise thereof made by Buyer without the written consent of Seller. If infringement is alleged prior to the completion of delivery of the goods, Seller may decline to make further shipments without being in breach of any agreement. In the event that such goods are held in such suit or proceeding to be infringing and their use is enjoined, or if in the opinion of Seller such goods are likely to become the subject of a claim of infringement, Seller at its sole discretion and at its own expense, may either (a) procure for Buyer the right to continue using such goods; (b) modify such goods so that they become non-infringing; (c) replace such goods with non-infringing goods; or (d) accept the return of such goods, granting Buyer a refund or credit equal to the depreciated value. Seller's obligations hereunder shall not apply to any alleged infringement occurring after Buyer has received notice of such alleged infringement unless Seller thereafter gives to Buyer written consent for such continuing alleged infringement.

Any provision herein to the contrary notwithstanding, Seller shall have no obligation to Buyer (to defend or make any payment to or for Buyer) for any infringement, misappropriation or misuse claimed by any third party or parties if any such claim arises, in whole or in part, (a) as a result of a modification of the goods not introduced or approved by Seller; or (b) as a result of the interconnection or use of the goods in combination with goods or other devices or with a manufacturing or other process; or (c) the use of the goods in other than an application recommended by Seller or (d) compliance with Buyer's design, specifications and/or instructions. If Buyer alleges intellectual property infringement against a third party pursuant to Buyer's intellectual property portfolio and as a result the alleged infringer counterclaims against Buyer alleging among other things infringement by goods manufactured by Seller, Seller's liability for the resulting attorney fees and costs will be proportional to the extent to which Seller's goods, as opposed to third party goods, are found to have infringed third party intellectual property rights.

With respect to goods manufactured to Buyer's designs or specifications, Buyer shall defend any suit or proceeding brought against Seller, whether severally or jointly with Buyer, insofar as such suit or proceeding is based on a claim that any such goods furnished hereunder infringe (either direct or contributory) any patent(s), copyright(s), or trademark(s), or for misappropriation or use of any trade secret(s) or for unfair competition, arising from (i) compliance with Buyer's designs, specifications, or instructions; (ii) the use of any item or any part thereof, furnished hereunder, in combination with goods not supplied by Seller, or (iii) in connection with a manufacturing or other process utilizing any item, or part thereof, furnished hereunder. Seller shall notify Buyer promptly in writing of such suit or proceeding and give Buyer full and complete authority, information and assistance for such defense. Buyer shall pay all damages and costs (including attorneys' fees) incurred by, and awarded against, Seller in any such suit or proceeding, but Buyer shall not be responsible for any compromise thereof made by Seller without the written consent of Buyer.

THE FOREGOING STATES THE SOLE AND EXCLUSIVE LIABILITY OF THE PARTIES HERETO FOR INFRINGEMENT AND IS IN LIEU OF ALL WARRANTIES, EXPRESS, IMPLIED OR STATUTORY WITH RESPECT THERETO.

9. NO LICENSE. Goods or any parts thereof sold hereunder may be protected by intellectual property rights of Seller, including, but not limited to, rights under issued and pending patents, mask work rights, copyright rights, trademark rights and trade secret rights. Neither the sale of goods or any parts thereof hereunder nor the provision by Seller of any supporting or related documentation, technical information

or advice shall confer on Buyer any license, express or implied, under any intellectual property rights of Seller covering or related to (i) apparatus or circuits in which the goods or parts thereof may be used; (ii) a process, machine, use or application in connection with which the goods or parts hereof may be used; (iii) the process of their manufacturer; or (iv) a combination in which the goods or parts hereof may be used.

10. TAXES. Any tax or government charge by any federal, state or municipal government applicable to the goods sold hereunder now imposed or hereafter becoming effective during the term of any contract made hereunder, except for Seller's franchise taxes and taxes on Seller's net income, shall be added by Seller to the sales price where Seller has the legal obligation to collect or pay same, and shall be paid by Buyer unless Buyer provides Seller with a proper tax-exemption certificate. Buyer shall pay any duties, levies, taxes, brokerage fees or customs fees imposed in the Buyer's country to shipments made under this contract.

11. TITLE AND DELIVERY.

A. For shipments to and within the United States, unless otherwise agreed upon by Seller, delivery shall be made FOB Seller's place of business for pickup by Buyer or Buyer's designee and, unless otherwise agreed, Buyer shall select the method of transportation and the carrier. Buyer shall be responsible for all shipping charges, including freight, insurance, taxes, import duties and any other related charges. Title and risk of loss transfer to Buyer when Seller tenders the goods to a common carrier at the Seller designated location for shipment to Buyer.

B. For shipments outside of the United States, unless otherwise agreed upon by Seller, delivery shall be made FOB Seller's place of business for pickup by Buyer or Buyer's designee, unless otherwise agreed, and Buyer shall be responsible for all shipping charges, including freight, insurance, taxes, import duties and any other related charges. In instances where the parties determine that Seller shall select the method of transportation and the carrier, unless otherwise agreed, (i) Seller shall pay for all shipping charges, including freight, insurance, taxes, import duties and any other related charges; provided that Buyer shall reimburse Seller for all (or a portion of) such costs as set forth in the applicable invoice issued by Seller to Buyer, and (ii) Seller shall be responsible for carrying out all customs formalities to import the goods, including acting as importer of record and paying any applicable costs and expenses incurred in connection therewith, subject to reimbursement by Buyer as set forth immediately above. In any event, title and risk of loss transfer to Buyer when Seller tenders the goods to a common carrier at the Seller designated location for shipment to Buyer.

C. Notwithstanding anything to the contrary herein, title and risk of loss passes to Buyer upon delivery by Buyer to the carrier at Seller's place of business. As collateral security for the payment of the purchase price of the goods, Buyer hereby grants to Seller a lien on and security interest in and to all of the right, title and interest of Buyer in, to and under the goods, wherever located, and whether now existing or hereafter arising or acquired from time to time, and in all accessions thereto and replacements or modifications thereof, as well as all proceeds (including insurance proceeds) of the foregoing. The security interest granted under this provision constitutes a purchase money security interest under the Ohio Uniform Commercial Code.

12. SOFTWARE "Software" as used herein means goods that are software, including, without limitation, software embedded in Seller goods, stand alone software and downloadable software. Buyer acknowledges that such software is proprietary, copyrighted and may be protected by patents. All Software is licensed to Buyer, subject to a license agreement, and title to Software remains with the applicable licensor(s). Buyer agrees to be bound by such license agreement in addition to these Terms and Conditions of sale. Buyer shall not duplicate, disassemble, decompile, reverse engineer, modify, create derivative works, or otherwise change Software or its form except to the extent it is permitted by law. Software incorporated in or packaged with Seller hardware goods shall be used

solely by Buyer for the use of the hardware goods as authorized by Seller, and Buyer shall have no other rights with respect to such Software.

13. DELIVERY SCHEDULE. Buyer understands that any delivery schedule set forth herein or in any subsequent order or release is estimated only and is presented in good faith by Seller. Seller will use commercially reasonable efforts to initiate shipment and schedule delivery within a time reasonably in accordance with Buyer's requested delivery schedule but shall not be liable to Buyer for failure to meet any delivery schedule or for the costs or procurement of substitute goods. Notwithstanding anything to the contrary herein, Seller shall not be liable for any delays, loss or damage in transit. Seller may, in its sole discretion, without liability or penalty, make partial shipments of goods to Buyer. Each shipment will constitute a separate sale, and Buyer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of Buyer's purchase order. Delays or changes in schedules due to Buyer directed actions are subject to price adjustments.

Unless otherwise agreed to in writing by Seller, Seller reserves the right to allocate production and deliveries among its various customers under any circumstances. We sometimes get "rated" orders, where we have to move them to the front of the queue. I think we have to address this.

Buyer will be deemed to have waived any and all claims for shipments containing less than the number of goods indicated on the shipping documents unless written notice of such claims is received by Seller within 30 days after receipt of shipment.

14. CANCELLATIONS. No cancellations or reschedules will be accepted within 30 days of the earliest requested ship date. All cancellations and reschedules of orders by the Buyer between 31 and 89 days prior to the earliest requested ship date shall result in a charge to Buyer to be reasonably determined by the Seller based on such factors as whether the product was manufactured specifically for Buyer, Seller's ability to change its production schedule within the period of the notice provided by Buyer, whether Seller acquired or allocated particular supplies or equipment to meet Buyer's order, etc.

15. NON-WAIVER DEFAULT. Each shipment made under any order will be treated as a separate sale and transaction, but in the event of any default by Buyer, if Seller elects to continue to make shipment, its action will not constitute a waiver of any default by Buyer or in any way affect Seller's legal remedies for any such default.

16. FORCE MAJEURE. Seller shall not be liable for delay in performance or failure to perform in whole or in part the terms of this Agreement due to causes beyond the reasonable control of Seller, including, without limitation, strike, labor disputes, shortages of material, war, riot or civil commotion, acts of the public enemy, insurrection, sabotage, or fire, flood or other acts of God. The period for performance for the party affected by such a cause shall be extended by the duration of the condition, provided, however, if any such delay shall continue for more than 120 days from the start of the cause of delay, the quantities undelivered during such period of delay or to be delivered, may be canceled at Seller's election without liability of Seller to Buyer by written notice to Buyer at any time.

17. ASSIGNS. Any contract made hereunder is binding upon and shall inure to the benefit of the successors and assigns of the entire business and good will of either Seller or Buyer, or of that part of the business of either used in the performance of such contract but is not otherwise assignable. Seller may subcontract any part of the work or services to be provided hereunder as Seller deems necessary. Buyer affirms that there exist no third party beneficiaries to Buyer's rights hereunder unless Buyer specifically identifies such beneficiary on the face of Buyer's order or Buyer's acceptance of Seller's quotation.

18. MODIFICATION OF STANDARD TERMS AND CONDITIONS. No addition to or modification of any of the provisions herein or upon the face or reverse of any order shall be binding upon Seller unless made in writing and signed by a duly authorized representative of Seller located in West Chester, Ohio, U.S.A.

19. LAW. This Agreement is governed by and construed under the laws of the State of Ohio and the United States without regard to conflicts of laws provisions thereof or the United Nations Convention on Contracts for the International Sale of Goods. The sole jurisdiction and venue for actions related to the subject matter hereof is the state and U.S. federal courts in the State of Ohio, located in Butler County, Ohio, U.S.A.

20. EXPORT CONTROL. Buyer acknowledges that Seller may provide Buyer with technical data/technology, services, and/or, products, in finished or unfinished state that may be subject to U.S. export controls under the laws and regulations of the United States (collectively "Export Controlled Technology"). U.S. export control laws and regulations include, but are not limited to, the International Traffic in Arms Regulations (.ITAR.), 22 C.F.R. §§ 120 et seq., and/or the Export Administration Regulations, 15 C.F.R. §§ 730 et seq. Buyer warrants and agrees that it shall not export or reexport any Export Controlled Technology or any technical data/technology or product derived from the Export Controlled Technology, except pursuant to a U.S. government license or other approval, or upon determination that such export may be lawfully exported without prior approval under a license exception, exemption, or other authority. Buyer acknowledges and understands that Seller may need to apply for export licenses in order to ship Export Controlled Technology to Buyer. Buyer agrees to provide such information, assurances, documentation or take such other steps as necessary to assist Seller in obtaining any export licenses, including, but not limited to, execution of end-user certifications, document marking, and supplemental agreements with respect to control and handling of Export Controlled Technology. In compliance with U.S. regulations regarding Technology and Software under Restriction (.TSR.), Buyer hereby agrees that, without express approval of Seller (pursuant to issuance of an export license from the Bureau of Industry and Security), Buyer will not reexport or release any technology, direct product of the technology, software, or source code related to the technology provided by Seller to Buyer to a national of a country specified in Country Groups D:1 or E:2 as set forth in 15 C.F.R. Part 740, Supplement No. 1 and as amended. Seller shall have no responsibility for delayed delivery or non-delivery resulting from (i) any governmental action under U.S. or other applicable law suspending or revoking a necessary export license or authorization, or (ii) any failure by Buyer to furnish reasonable assurance, upon request, of its compliance with applicable export requirements, or (iii) obtaining a necessary export license for the goods to be shipped hereunder.

21. USE OF SELLERS GOODS IN LIFE SUPPORT, NUCLEAR AND CERTAIN OTHER APPLICATIONS. Goods sold by Seller are not designed, intended or authorized for use in life support, life sustaining, nuclear, or other applications, including, but not limited to, transportation operating systems, in which the failure of such goods could reasonably be expected to result in personal injury, loss of life or severe property or environmental damage. Buyer acknowledges that use of Seller's goods in such product applications is understood to be fully at the risk of Buyer and that Buyer is solely responsible for verification and validation of the suitability of Seller's goods in such application. Buyer agrees that Seller is not liable, in whole or in part, for any claim or damage arising from use in such applications. Buyer agrees to indemnify, defend and hold Seller harmless from and against any and all claims, damages losses, costs, expenses and liabilities arising out of or in connection with such use.

22. COVERED DEFENSE INFORMATION. The Goods sold by Seller are publicly available, non-customized products available to any purchaser and do not, cannot, and will not, at any time, contain any Covered Defense Information, Controlled Technical Information, or Controlled Unclassified Information, as those terms are defined in 48 CFR 204.7300, et seq ("collectively, "Defense Information"), and NIST Special Publication 800-171 is inapplicable to Seller. None of the Goods

furnished by Seller, and none of the systems maintained by Seller, contain, access, use, reproduce, store, modify, perform, display, release, disclose, or disseminate any Defense Information. Buyer agrees that none of the information provided by it to Seller in connection with any order will contain any Defense Information. If Buyer desires to order from Seller certain specially-manufactured Goods that, in the course of operation or utilization of such specially-manufactured Goods, would be reasonably likely to access, use, reproduce, store, modify, perform, display, release, disclose, or disseminate any Defense Information, Buyer will provide written notice to Seller prior to the time of ordering that Buyer requires such specially-manufactured Goods which are reasonably likely to access, use, reproduce, modify, perform, display, release, disclose, or disseminate such Defense Information. Based upon the written notice provided by Buyer, Seller shall thereafter have the right to accept or reject any such order, subject to applicable laws.

23. LIMITATION OF LIABILITY. THE ESSENTIAL PURPOSE OF THIS PROVISION IS TO LIMIT SELLER'S LIABILITY HEREUNDER.

EXCEPT FOR BODILY INJURY OR DEATH OF A PERSON, UNDER NO CIRCUMSTANCES WILL SELLER, ITS EMPLOYEES, OFFICERS, DIRECTORS, AGENTS, SUCCESSORS OR ASSIGNS BE LIABLE TO ANYONE UNDER ANY PRODUCT ORDER, SCHEDULE, OR TERMS AND CONDITIONS UNDER ANY CONTRACT, STRICT LIABILITY, TORT (INCLUDING NEGLIGENCE) OR OTHER LEGAL OR EQUITABLE THEORY, WHETHER OR NOT FORESEEABLE OR FORESEEN, FOR: (A) BUSINESS INTERRUPTION COSTS, COST OF REWORK, RETESTING, PROCUREMENT OF SUBSTITUTE GOODS, REMOVAL AND REINSTALLATION OF GOODS; OR (B) ANY SPECIAL, INCIDENTAL, EXEMPLARY, INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION LOST PROFITS, LITIGATION COSTS, LOSS OF DATA, PRODUCTION OR PROFIT, GOODWILL, LOSS OF REVENUE, OR LOSS OF UNITS; REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, THERE IS A TOTAL AND FUNDAMENTAL BREACH OF THIS AGREEMENT, OR WHETHER ANY REMEDY PROVIDED HEREIN FAILS OF ITS ESSENTIAL PURPOSE.

NOTWITHSTANDING THE FOREGOING, IN NO EVENT SHALL SELLER'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THE GOODS, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE TOTAL OF THE AMOUNTS PAID TO SELLER FOR THE GOODS SOLD HEREUNDER. BUYER SHALL BE DEEMED TO ASSUME ALL LIABILITY FOR ANY AND ALL DAMAGES ARISING FROM OR IN CONNECTION WITH THE USE OR MISUSE OF THE GOODS BY BUYER, ITS EMPLOYEES, CUSTOMERS AND OTHERS.

SELLER SHALL NOT BE LIABLE FOR AND BUYER AGREES TO INDEMNIFY, DEFEND AND HOLD SELLER HARMLESS FROM ANY CLAIMS BASED ON SELLER'S COMPLIANCE WITH BUYER'S DESIGNS, SPECIFICATIONS OR INSTRUCTIONS, OR MODIFICATION OF ANY GOODS BY PARTIES OTHER THAN SELLER, OR USE IN COMBINATION WITH OTHER PRODUCTS.

24. RELATIONSHIP OF PARTIES. Seller and Buyer expressly understand and agree that Buyer is an independent contractor in the performance of each and every part of this order, is solely responsible for all of its employees, agents and will indemnify Seller from any and all claims, liabilities, damages, debts, settlements, costs, attorneys' fees, expenses and liabilities of any type whatsoever that may arise on account of Buyer's activities or those of its employees or agents (including, without limitation, direct and indirect distributors or sub-distributors), including without limitation unauthorized representations or warranties (or failing to effectively disclaim all warranties and liabilities on behalf of Seller to the same extent as disclaimed herein) to its customers.

25. BASIS OF BARGAIN. EACH PARTY RECOGNIZES AND AGREES THAT THE WARRANTY DISCLAIMERS AND LIABILITY AND REMEDY LIMITATIONS HEREIN ARE MATERIAL AND

BARGAINED FOR BASES OF ANY ORDER OR CONTRACT AND THAT THEY HAVE BEEN TAKEN INTO ACCOUNT AND REFLECTED IN DETERMINING THE CONSIDERATION TO BE GIVEN BY EACH PARTY UNDER ANY ORDER OR CONTRACT AND IN THE DECISION BY EACH PARTY TO ENTER INTO SUCH ORDER OR CONTRACT.

26. **PACKAGING.** Packaging for commercial shipment is included in the quoted price. When special or export packaging is specified involving a greater expense than the cost of commercial shipment included in the quoted price, a charge will be made to cover such extra expense. Reasonable care is exercised in packaging goods for shipment and Seller assumes no responsibility for delay, breakage, or damage after having made delivery to the carrier. All claims for breakage or damage must be made to the carrier; however, Seller will render reasonable assistance in securing satisfactory adjustment of such claims.

27. **CHANGES TO SPECIFICATIONS.** Seller reserves the right to change the specifications of any goods (including all statements and data appearing in Seller's catalogs, data sheets and advertisements) without notice. If such changes to specifications are made, Seller assumes no obligation to provide the change on goods previously purchased or to continue to supply discounted goods. Seller may substitute goods manufactured to such modified specifications for those specified herein provided such goods substantially conform to the order or contract.

28. **CONFIDENTIAL INFORMATION.** All non-public, confidential or proprietary information of Seller, including but not limited to specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, discounts or rebates, disclosed by Seller to Buyer, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential", may not be disclosed or copied unless authorized in advance by Seller in writing. Upon Seller's request, Buyer shall promptly return all documents and other materials received from Seller. Seller shall be entitled to injunctive relief for any violation of this Section 28. This Section 28 does not apply to information that is: (a) in the public domain; (b) known to Buyer at the time of disclosure; or (c) rightfully obtained by Buyer on a non-confidential basis from a third party.

29. **MAINTENANCE.** Buyer acknowledges that any goods sold hereunder must be periodically maintained. Said periodic maintenance shall be the sole responsibility of Buyer and shall be done in accordance with Seller's recommendations or accepted industry standards. Buyer's failure to perform periodic maintenance shall void Seller's warranty responsibilities.

30. **TOOLING.** Unless otherwise expressly agreed in writing, Seller retains rights and title to and possession of any tooling, drawings, mask sets, tapes, fixtures, original documentation and intellectual property used in the furnishing of goods.

31. **GENERAL.** In the event of the appointment of a trustee, receiver, or liquidator for all or a portion of Buyer's property, Buyer's insolvency, or any voluntary or involuntary petition in bankruptcy by or against Buyer, Seller may terminate any order without further obligation or liability of Seller to Buyer. In the event any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
